

LOCAL TAXIS

To comply with licensing laws and planning consent all guests not staying at Homme must depart by 12:15am at the latest.

Please ensure that you have pre-booked your taxi for no later than 12am as local taxi firms can be very busy with other events in the area.

If you are planning a larger vehicle for shared transport, a 32 seater coach is the largest vehicle that will fit through our entrance gates (9.5 feet / 2.9m at the narrowest point along the driveway).

You are very welcome to leave your car in the Homme car park overnight for collection the day after the event you are attending.
