

## DIRECTIONS

The main entrance gates of Homme House are adjacent to St. Bartholomew's Church in Much Marcle.

The church can be reached up a lane from the B4024 Much Marcle - Dymock road which runs through the village. If coming via the A449 from either the Ross-on-Wye or Ledbury direction, the turning for the B4024 is beside the Walwyn Arms Pub in the centre of the village.

From the entrance gates, a private drive through parkland and past lakes ends at a left turn which leads to the car park and house.
