

# PHOTOGRAPHERS & VIDEOGRAPHERS

## PRE-WEDDING RECCE

You are welcome to visit us for a pre-wedding recce to discuss requirements in situ. Visits are by appointment only and are usually possible on Mondays-Thursdays and on Sundays after 12.30pm.

## ARRIVAL

On arrival follow signs to 'Honne House Weddings' to come up onto the gravel outside the house to unload equipment. Cars should then be parked in the paddock car park below the house.

## STORAGE

Equipment can be stored and charged in the private end of the house (Sarah & Charlie will show you on arrival).

## BREAKS

You are welcome to sit in our Library during breaks. Please discuss the provision of food and drink with the wedding couple – caterers are usually happy to provide refreshment for photographers and videographers.

## CIVIL CEREMONIES

We will introduce you to the Registrars before the ceremony as they will have restrictions on where you can stand and what parts of the ceremony you can record.

Registrars often have other ceremonies to attend following a ceremony at Honne, so it is important that agreed timings are adhered to. Please ensure that sufficient time is planned in for pre-ceremony photographs to avoid delaying the ceremony time.

## GROUP PHOTOS

Let us know if you would like to take a group photograph from above as we can give you access to a 1st floor window above either the front gravel or the main lawn.

## SPOTS FOR GROUP & COUPLE SHOTS

The Main Suite, Library, Hall and Panelled Room are all lovely places for shots inside the house. There are no restrictions in terms of flash photography.

There is also lots of variety outside, with the Main Lawn, Water Garden, Bog Garden, Walled Garden and Summerhouse, Rose Garden, Woodland and Parkland all providing photo opportunities through the seasons. Do feel free to arrive early on the day to explore what you feel would work best for the time of year and conditions on the day.

## SMOKE BOMBS

We are happy for smoke bombs to be used at Honne if they are set off a safe distance from any building and the waste material removed after use.

## ACCESS TO IMAGES

We always love to see images from the weddings which take place at Honne. If you would like to share the results feel free to email them to [charlie@honnehouse.co.uk](mailto:charlie@honnehouse.co.uk).
